2023 was no different, and just like the previous 19 years, OCD-UK was there for people when they needed to seek support and guidance because of Obsessive-Compulsive Disorder.

Let's look at some of the numbers...

In 2023 we generated £161k to keep our services running, with £121k raised through the fundraising efforts and donations of our supporters.

# Structure, Governance and Management of OCD-UK during 2023

The chair of OCD-UK presents the annual report at the charity's Annual General Meeting (AGM) each year.

## Legal Status

OCD-UK was founded in December 2003 and formed as a charity under a constitution in January 2004. We were officially registered with the UK charity commission on the 14th April 2004. The charity registration number is 1103210.

## Our Structure

The board of trustees is the governing body of the charity. It is their role to establish the policies, objectives and procedures for the charity to ensure the effective running of the organisation in pursuit of its long-term objectives.

## Patrons

We are honoured to be supported in our work by two patrons, actor and writer Ian Puleston-Davies and highly respected Professor Paul Salkovskis from the University of Oxford.

We are also supported in our work by overseas ambassador Professor Adam Radomsky, from Concordia University, Montreal.

## Membership

Membership of OCD-UK is open to any individual with an interest in OCD or the charity's work. At the end of 2023 the charity had 828 active members (up slightly from 822 at the end of 2022). Members are entitled to attend the AGM and to one vote per discussion.

## Volunteers

OCD-UK had many committed and regular active volunteers across the UK during 2023, most of whom have been directly affected by OCD. Their selfless personal commitment has been the cornerstone of OCD-UK's success in delivering its aims and objectives. We estimate that our volunteers have donated at least 1,266 hours to OCD-UK during 2023, in monetary terms worth at least £15,825 to the charity.

These volunteers have helped us provide direct support online and offline, facilitated support groups, worked on our website and publications, or helped at our events or conferences. Other volunteers not included in the above figures have also contributed their time to actively support the research and media work that we promote.

The trustees of OCD-UK remain grateful for the donation of time that volunteers give to our charity. We recognise that we can achieve even more with their assistance, and we must provide them with regular support, training and supervision to help them in their role.

## Professionals

We would also like to acknowledge our gratitude and thanks to the following accountancy, legal and anxiety charity colleagues, health professionals and media personalities who kindly donated their time to offer support and assistance during 2023. # Trustees

L-R – OCD-UK trustees: Charlotte Rowe, Joanne Griffiths with former trustee Yolanda Jerrard at our Nottingham OCD conference.

OCD-UK is a membership-based charity, managed by a team of dedicated trustees which make up our executive membership committee.

These are endorsed and elected by our members at our Annual General Meeting. They are all members who have volunteered for the charity for a period of time before being approached to become a trustee. They receive no remuneration, other than essential working costs approved by the charity.

Uniquely, OCD-UK is completely service-user led; all of our trustees have suffered or have a close family member suffering with OCD. It's this insight that allows us to make informed decisions about the direction we shape your charity.

One of the unique aspects of OCD-UK is the fact that the team are all service-users themselves, they have all experienced OCD first-hand, which means the work is not just a job for the team. Their dedication, passion and commitment is evident in the work they do. The team are all highly professional, and again in 2023 managed to punch above their weight in terms of service delivered for the limited resources available to the charity.
